

EMPTY BOWLS CHILI COOK-OFF

High school student event volunteers earn **DOUBLE** community service hours (& eat free chili!)

Fri, Feb 7, 5-7p

Tickets: \$10 (kids 5 & under free!)

Includes unlimited chili tasting, bread & butter, and one keepsake bowl per paid guest.

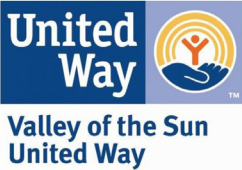

At the event: Upon arrival, ticket holders select a one-of-a-kind bowl (collaboratively made by JGS students) that can be used to sample all of the wonderful chili made by JGS community members. *Eat as much chili and bread as you want until it's gone!* After you try them all, vote for your favorite!

Sign up to try your hand at becoming the 1st JGS Chili Champ!

Timna Guerchon, VSUW Volunteer Engagement Coordinator, will join us to briefly speak about United Way's work combating hunger locally, how kids across the Valley are specifically affected, and how the money we raise through this event will help! Other event activities include making "Encouragement Cards" for kids affected by hunger.

The bowls that JGS students have been creating for this event serve as a reminder of the "empty bowls" that represent the people in our community (and around the world) who don't regularly have enough to eat.

Come share a simple meal AND do good for our local community!

Proceeds benefit United Way's **WeekEnd Hunger Backpack program**, which provides meals and snacks to children in food-insecure homes, who rely on schools for 2 out of their 3 meals Monday-Friday. These backpacks ensure that children have something to eat throughout the weekend, returning to school on Monday morning ready to learn!

Join us for friendly competition, fun, & caring about our community
