

## OPEN TO THE COMMUNITY!

Join us for thematic, week-long recreational camps at The Jones-Gordon School in Paradise Valley.

- 1 WEEK 1: June 1-5
- 2 WEEK 2: June 8-12
- 3 WEEK 3: June 15-19
- 4 WEEK 4: June 22-26

### Out & About

with Mr. Reid or Mr. Alula

- 1
- 2
- 3
- 4

Entering Grades 6-9

School's out and adventure is calling! It's time to explore, connect, and have fun beyond the classroom. Campers will head out around town for a mix of exciting outings, from high-energy activities to laid-back hangouts. When on campus, students will enjoy games and group activities that build friendships and keep the fun going all day long. Each day brings a new experience that encourages independence, connection, and unforgettable summer memories.

### Camp Hogwarts

with Ms. Cady

- 1
- 2
- 3
- 4

Entering Grades 3-8

You've been accepted to the Hogwarts School of Witchcraft and Wizardry! Come create your own wizarding supplies; get sorted; and work towards winning the Hogwarts House Cup with crafts, games and adventures. Explore the same subjects Harry studied: Care of Magical Creatures, Potions, Defense Against the Dark Arts... Leave the muggle world behind and join us at Hogwarts!

### Splash & Dash

with Ms. Sarah

- 1
- 2
- 3
- 4

Entering Grades 2-5

Get ready to make a splash! Campers will enjoy exciting field trips to splash pads, pools, and other refreshing stops—plus a few tasty treats along the way. When we're on campus, kids will keep the fun going with games, crafts, and summer activities. This camp is the perfect way to beat the heat and dive into summer fun!

### STEM Engineering

with Ms. Nicole

- 1
- 2
- 3
- 4

Entering Grades 1-7

STEM Engineering Camp is a hands-on, build-it-and-test-it experience! Each day, campers will tackle a new engineering challenge by designing, building, and testing their own creations. Through teamwork, creativity, and problem-solving, kids will experiment, improve their designs, and discover how real engineers think!

Monday-Friday  
9am-3pm

\$400/week

Each camp includes Water Play Day, pizza lunch, and Kona Ice every Friday!

### Minecraft & Legos

with Ms. Olivia

- 1
- 2
- 3
- 4

Entering Grades 2-8

Calling all digital and lego architects! This camp is THE destination for everyone who loves Minecraft and building. We'll play Minecraft: Education Edition with our fellow campers. All abilities are welcome as we embark on a virtual adventure filled with daily challenges, free play sessions, and a whole lot more. Get ready to unleash your imagination, build incredible structures, and make new friends in this engaging and inclusive camp experience!

### DIY Around the World

with Ms. Olivia

- 1
- 2
- 3
- 4

Entering Grades 2-7

Get ready for a global adventure! Let's journey around the world through hands-on DIY projects inspired by the art, traditions, and cultures of different countries. Campers will explore new destinations, creating unique crafts, sampling international games, and learn fun facts about life in other parts of the world. This camp is the perfect blend of creativity, exploration, and cultural discovery. Pack your imagination and get ready for an unforgettable trip!

### Imagination Playground

with Ms. Lily or Ms. Mack & Mr. Mike

- 1
- 2
- 3
- 4

Entering Grades 1-4

Imagination Playground Camp is the perfect place for campers to dream big and play together! Campers will create and explore open-ended worlds—like restaurants, shops, and fantasy lands—using creative materials and their own ideas. Through imaginative play and group challenges, kids will practice collaboration, communication, and problem-solving as they bring their ideas to life. Every day inspires creativity, teamwork, and fun in a playful, imaginative environment!

## Animal Antics with Ms. Mackenzie

Entering Grades 3–8

Dive into the wild world of animals! This camp is packed with adventure, discovery, and hands-on experiences. Campers will explore animal classifications, learn to care for diverse animals, and visit a local animal sanctuary. They'll also enjoy interactive encounters with our friendly JGS animals and participate in games, activities and crafts that bring the animal kingdom to life. Join us for a week of learning, laughter, and animal antics!

## Space Camp

with Ms. Nicole

Entering Grades 1–7

Get ready for lift-off! Campers will build rockets, design their own planets and aliens, create constellation art, and tackle space-themed engineering challenges. From lunar landers to cosmic creations, this camp launches imagination, creativity, and hands-on problem solving into orbit!

## You Go Girl!

with Ms. Lily & Ms. Shawna

Entering Grades 3–7

Make new friends, get creative, and most of all—feel empowered! Activities include jewelry, crafts, games, and other community-building experiences. Empowerment, creativity, and the opportunity to build lasting friendships are at the heart of our camp experience, providing a supportive space for girls to discover their strengths and shine.

## Fashion & Fiber Arts

with Ms. Nicole

Entering Grades 2–8

Design it, create it, and wear it! Campers will explore fashion and fiber arts through tie-dye, weaving, sewing, and creative wearable art projects. This camp encourages self-expression, creativity, and hands-on making—perfect for kids who love to design and create with their hands.

## Animate It!

with Ms. Nicole

Entering Grades 1–7

Bring ideas to life—one frame at a time! Campers will explore the basics of animation by creating flipbooks and stop-motion movies. Using simple tools and lots of creativity, kids will learn how drawings and objects turn into moving stories they can share and celebrate.

## Nailed It! Baking Camp

with Ms. Lily & Ms. Shawna

Entering Grades 3–7

Welcome to our Nailed It! Summer Camp, where creativity, laughter, and a little bit of mess come together! Inspired by the hit baking show, campers will take on exciting dessert challenges that focus on fun, teamwork, and trying their best... NO baking experience required. This camp is all about confidence, creativity, and having fun—even when things don't turn out perfectly. Because at Nailed It! Camp effort matters more than perfection!

## Once Upon A Camp

with Ms. Olivia

Entering Grades 1–5

Step into a world inspired by your favorite fairytales and stories. Campers will explore Disney-inspired themes through creative projects, imaginative play, and interactive activities. From crafting magical keepsakes to dressing up as beloved characters, every moment will spark their creativity and bring their dreams to life. Together, we'll embark on heroic quests, discover enchanted lands, and celebrate the magic of friendship.

## Mini Makers

with Ms. Emily

Entering Grades 2–6

Are you a creative kid who loves to tinker and play with different art materials? Mini Makers Studio camp is designed to provide a nurturing environment that encourages innovation, creativity, and the freedom to experiment with various art media. With a range of captivating art stations to choose from, campers are empowered to follow their own creative instincts. Each day, we introduce new and ongoing stations, ensuring that there is always something exciting to explore. Come and unleash your artistic potential! It's time to MAKE!

## Kids in the Kitchen

with Ms. Mackenzie

Entering Grades 3–8

Grab your apron and get ready to cook! At Kids in the Kitchen Cooking Camp, young chefs will mix, stir, and create tasty treats while learning kitchen etiquette and how to work as a team. Campers will practice polite table skills, try new foods, and design their very own recipe books to take home. With lots of hands-on cooking, laughter, and delicious fun, this camp is the perfect recipe for a great summer!
