- low student/teacher **ratios** (10:1 max.!)
- college-prep, accredited **curriculum** designed to accommodate & challenge diverse learners
- a structured, "whole-child" **philosophy** that integrates executive function skills & social/emotional learning
- a daily, built-in **FLEX hour** to support students with learning differences and/or gifted students
- a nurturing, experienced **team of experts** on site (master's and doctoral-level teachers, occupational & speech-language therapists, school social worker & psychologist, career counselor)
