# CLUBS

## Pop Culture/Fandoms

Grades 9-12 With: Coach Reid

Who would win in a fight, Superman or Batman? Will Grogu (baby Yoda) turn to the Dark Side? Are they really doing a live action Spiderverse? If you have opinions on any of these questions, join the Pop Culture/Fandoms club! We will chat and debate about theories, lore, and answer questions anyone has about all things Movies, TV Shows, Comic Books, and anything else you might think of!

**Mondays, 3:45-4:45PM** Cost: \$120

## Fun and Games Club!

Grades 1-5 With: Ms. Sarah

Let's take advantage of the cooler temperatures and have fun outside every week with Ms. Sarah! There are so many yard games that can be played outside that allow us to socially distance, move our bodies, and have lots of fun with classmates.

**Mondays, 3:30-4:30PM** Cost: \$120

## Sewing and Crafts

All grades With: Ms. Vickie

Come join Ms. Vickie in the Art Studio/MakerSpace to create useful and fun sewing crafts! We will sew things like masks, zipper pouches, keychains, reading pillows, and more! Students will get hands-on experience with hand stitching (with large plastic needles), and will use a sewing machine to create their own fantastic projects!

**Tuesdays, 3:30-4:30PM** Cost: \$160

## E-Sports Club!

Grades 6-12 With: Coach Reid

Join Coach Reid every Tuesday to play some E-Sports! Games will be held tournament style and on a rotation of players. This club will allow students to have some (physically distanced!) social time and will emphasize encouraging one another while competing.

**Tuesdays, 3:45-4:45PM** Cost: \$160

## PE Club

Grades 1-5 With: Coach Reid

PE Club is a great place for students to learn about stretches, sports and games. We will work on learning and practicing different athletic skills while having fun!
